Making language fun.

The Academy of Foreign Languages is offering after-school foreign language classes. Playing games in a total immersion setting makes our unique program fun and effective. Children learn the true sounds of a language without sounding out the words incorrectly. Sign up now and this talent will enrich the rest of your child's life in business and travel. If you have taken our classes or have some experience with the language, we offer more advanced classes with vocabulary and conversational sentences for everyday life.

French or Spanish will be offered as listed below to all grades immediately after school for one hour per week. Classes run from Monday Oct 1 thru May. Check our website for FAQ's and more information.
