Making language fun.

The Academy of Foreign Languages is once again offering after-school foreign language classes. Using a total immersion method and playing games makes our unique program fun and effective. Beginning students learn the true sounds of a language without sounding out written words incorrectly. Sign up now and this talent will enrich the rest of your child's life in school, business and travel. If you have taken our classes or have some experience with the language, we offer more advanced classes with vocabulary and conversational sentences for everyday life.

French or Spanish will be offered to all grades **Tuesdays at Bicentennial** immediately before or after school. Classes run from Tuesday October 4 thru May, one hour per week. Check our website for FAQ's and more information. **Intermediate class will be offered on Wednesdays starting October 5.**
